THE UNDERLYING LOAN AND SECURITY DOCUMENTS

- 1. On or around July 27, 2018, the Shoppes Borrowers and Ardent entered into, among other agreements, the Loan and Security Agreement by and among the Shoppes Borrowers and Lender, as amended by First Amendment dated August 7, 2018, as evidenced by a Promissory Note in the original principal amount of \$19,500,000.00 (collectively, the "Shoppes Loan"). Dragul provided a guaranty with respect to the Shoppes Borrowers' obligations under the Shoppes Loan.
- 2. The Shoppes Loan is secured by those security documents (the "Shoppes Security Documents" and together with the Shoppes Loan, the "Shoppes Loan Documents") also entered into by and among the Shoppes Borrowers and Ardent on or around July 27, 2018, including, but not limited to: (i) the Deed of Trust, Assignment of Leases and Rents, Security Agreement and Fixture Filing, for the

benefit of Lender, as amended by First Amendment to Deed of Trust dated August 7, 2018 and (ii) related UCC-1 Financing Statements. The Shoppes Security Documents encumber three (3) parcels of real property located in Colorado (the "Shoppes Real Property") and other collateral.

- 3. On or around August 7, 2018, the Marketplace Borrowers and Ardent entered into, among other agreements, the Loan and Security Agreement by and among the Marketplace Borrowers and Lender, as evidenced by that Promissory Note in the original principal amount of \$8,900,000.00 (collectively, the "Marketplace Loan" and together with the Shoppes Loan, the "Loans"). Dragul provided a guaranty with respect to the Marketplace Borrowers' obligations under the Marketplace Loan.
- 4. The Marketplace Loan is secured by those security documents (the "Marketplace Security Documents" and together with the Marketplace Loan, the "Marketplace Loan Documents" and collectively with the Shoppes Loan Documents, the Forbearance Agreement and any amendments, modifications or supplements to the same, the "Loan Documents")² also entered into by and among the Marketplace Borrowers and Ardent on or around August 7, 2018, including, but not limited to: (i) the Deed of Trust, Assignment of Leases and Rents, Security Agreement and Fixture Filing, for the benefit of Lender; and (ii) related UCC-1 Financing

A complete list of the Loan Documents, except for the Forbearance Agreement, can be found in Schedule 2 of the Forbearance Agreement.

Statements. The Marketplace Security Documents encumber two (2) parcels of real property located in Colorado (the "Marketplace Real Property" and together with the Shoppes Real Property, the "Real Properties")³ and other collateral (the collateral secured by (a) the Shoppes Security Documents and (b) the Marketplace Security Documents, together with the Real Properties, the "Property").

5. The Loan Documents were executed to provide the Borrowers with sufficient funding to cover the costs and expenses related to the construction of shopping centers at and the addition of certain fixtures upon the Real Properties.

BACKGROUND

- 6. On August 15, 2018, Gerald Rome, Securities Commissioner for the State of Colorado (the "Commissioner"), filed his Complaint for Injunctive and Other Relief against Dragul and the GDA Entities.
- 7. On August 29, 2018, the Commissioner, Dragul and the GDA Entities filed the Stipulated Motion for Appointment of Receiver, seeking the appointment of a receiver over Dragul and the GDA Entities pursuant to § 11-51-602(1), C.R.S, and C.R.C.P. 66.
- 8. On August 30, 2018, the Court entered the Stipulated Order Appointing Receiver (the "Receivership Order"), which appointed Harvey Sender of Sender & Smiley LLC as receiver for Dragul and the GDA Entities, as well as for their

respective properties and assets, and interests and management rights in related affiliated and subsidiary businesses, including, but not limited to, the Borrowers, (the "Receivership Estate" or the "Estate"). Receivership Order at 2, ¶ 5.

- 9. The Receivership Order grants the Receiver the authority to, among other things:
 - a. pay obligations incurred by Dragul and the GDA Entities prior to the appointment of the Receiver which are deemed necessary or advisable for the preservation or protection of the Receivership Property (Receivership Order at 8, ¶ 13(h); Receivership Order at 11, ¶ 13(q));
 - b. borrow funds from third parties to meet the needs of the Receivership Estate and, in exchange for funds advanced during the term of the receivership, issue Receiver's Certificates, which shall be a first and prior lien and preference claim on all or a portion of the Receivership Property (Receivership Order at 9, ¶ 13(i));
 - c. sell or otherwise dispose of property of Dragul and the GDA Entities or the Receivership Estate, and obtain Court approval for any sale or disposition of property for greater than \$10,000 (Receivership Order at 12, ¶ 13(t)); and
 - d. establish procedures for (x) the assertion of claims against Dragul, the GDA Entities, or the Receivership Property, (y) the resolution of any disputes regarding such claims, and (z) the distribution of proceeds of the Receivership Property (Receivership Order at 12, ¶ 13(u)).
- 10. Under the Receivership Order, parties with claims against Dragul, the GDA Entities or the Receivership Estate are prohibited from receiving a distribution from the Receiver's administration of the Receivership Estate, unless such parties agree not to file or prosecute such claims. Receivership Order at 14, ¶ 16.

- 11. The Receivership Order enjoins all actions in equity or at law against the Receiver, Dragul, the GDA Entities or the Receivership Estate, pending relief from the Court to proceed with any such action. Receivership Order at 18, ¶ 26.
- 12. On or about September 15, 2018, due to, among other alleged defaults under the Loan Documents, the Receiver's appointment (the "Existing Defaults"), Ardent sent written notices of default of the Loans to the Receiver, the Borrowers and Dragul.
- 13. As noted in paragraph 5 above, the Loans were executed to provide necessary funding for the construction of shopping centers at and the addition of certain fixtures upon the Real Properties. The contractors on those projects have walked off the job because they have not been paid for work performed at the Property since the appointment of the Receiver and funds for tenant improvements at the shopping centers are not being advanced, leaving tenants and proposed tenants at the shopping centers at risk of incurring obligations with respect to premises for which the construction may never be completed and the tenants or proposed tenants may never be able to occupy.
- 14. To ensure continued funding and build out of the shopping centers and any fit-out and capital improvements work at the Property that the Borrowers and Dragul committed to complete under the Loan Documents and/or certain binding leases executed prior to the entry of the Receivership Order (the "Work"), the Receiver

has entered into the Forbearance Agreement with Ardent, a copy of which is submitted with this Motion as **Exhibit 1**.

Forbearance Agreement at 8, ¶ 9.3.

BASIS FOR APPROVAL

17. There exists little Colorado authority with respect to factors the Court should consider regarding whether to approve a Receiver's settlement. In analogous bankruptcy contexts, courts must determine generally whether "the settlement is fair and equitable and in the best interests of the estate." When considering whether to approve a settlement, bankruptcy courts consider four primary factors: "the probable success of the underlying litigation on the merits, the possible difficulty in collection of a judgment, the complexity and expense of the litigation, and the interests of creditors in deference to their reasonable views." Kopp v. All Am. Life Ins. Co. (In re Kopexa Realty Venture Co.), 213 B.R. 1020, 1022 (B.A.P. 10th Cir. 1997); Kaiser Steel Corp. v. Frates (In re Kaiser Steel Corp.), 105 B.R. 971, 977 (D. Colo. 1989). Courts also recognize that some deference should be given to the business judgment of the Receiver. See, e.g., In re OptInRealBig.com, LLC, 345 B.R. 277, 291 (Bankr. D. Colo. 2006) (deferring to the business judgment of the bankruptcy trustee).

- Agreement. The Estate is in critical need of the funds and advances provided under the Loan Documents to complete the construction of and tenant build-out specifications at the Property. The Receiver believes the value of the Property will be maximized by entering into the Forbearance Agreement to allow for an orderly completion of the Property and orderly sale of the completed Property.
- 19. Funding under the Forbearance Agreement is necessary to preserve and protect the assets of the Receivership Estate. If the Forbearance Agreement were not approved, the Lender may seek relief of the Court to exercise its rights and remedies under the Loan Documents and/or applicable law to recover the funds and advances remitted pursuant to the Loans. If such relief were to be granted, the Receiver would not be able to conduct an orderly sale of the completed project and potentially recover monies for the Receivership Estate.
- 20. Under paragraph 34 of the Receivership Order, as a matter of course, the Court shall approve any motion filed by the Receiver unless an objection is received within ten (10) days after service or other written notice of the Receiver's motion.

WHEREFORE, the Receiver asks the Court to enter an order approving the Forbearance Agreement and for other relief as deemed appropriate.

- 2.12 So long as funds remain in the Development Reserve, such funds shall bear interest at a fixed rate of interest equal to three percent (3%), as set forth in the Loan Agreement;
- 2.13 Lender shall disburse funds from the Development Reserve to Receiver to pay for the Work, provided, that as a condition precedent to such funding (which funding will be made as soon as the Work commences), Receiver shall provide Lender executed amendments (which are in form and substance reasonably acceptable to Lender) to each of the Leases extending the completion/termination dates for completion of the Work by the landlord thereunder;
- 2.14 Lender will waive the collection of the Minimum Interest Amount. The unpaid portion of the Exit Fee, however, will continue to be due and owing as set forth in the Loan Agreement and will be part of the Debt; and
 - 2.15 Paragraph 16 of the Appointment Order shall not be binding on Lender.
- 2.16 It shall be a material condition precedent to Lender's obligation to fund any future Advances as provided in Section 2.4 above, or otherwise, that the following requirements have been satisfied and remain in full force and effect without further modification unless consented to by Lender in writing (collectively, "Funding Conditions"):

 - (iii) all required permits and licenses necessary for construction of the Landlord Work shall not have lapsed, terminated, or been withdrawn, as determined in Lender's sole discretion.
- 3. **Agreements Concerning Lender's Actions.** The Receiver and the Borrower Parties agree that the Lender may take the following actions:

- 3.2 Fund Advances (as defined in the Loan Documents) directly to contractors performing the Work; and
- 3.3 Hire and employ a construction consultant of Lender's choosing to monitor the progress of the Work.

The Receiver and the Borrower Parties further agree that so long as there are no material changes to the plans and/or construction contracts and/or Budget, neither the Receiver's nor any of the Borrower Parties' approval of any Advance shall be required, and neither the Receiver nor any of the Borrower Parties will prevent or otherwise adversely impact the pursuit of timely completion of the Work pursuant to the Budget, and/or Lender's continued funding of the Work. All Advances when made shall be deemed to be part of the Debt and continue to be secured by the Loan Documents.

- 4. Agreements Concerning Receiver's and Borrower Parties' Actions. The Receiver and the Borrower Parties agree that the Receiver and/or the Borrower Parties, as applicable, shall, no later than April 15, 2019, enter into a binding listing agreement for the Property for sale and/or refinance with an institutional sale or financing broker, the identity of whom, and the terms of such engagement being subject to the written approval of Lender. The Receiver and the Borrower Parties agree that the Receiver and/or the Borrower Parties, as applicable, shall, no later than August 30, 2019, (a) enter into a binding agreement to sell and/or refinance the Property, in a form acceptable to Lender, and with a buyer or lender who is acceptable to Lender which will yield net sale proceeds or net refinance proceeds, as the case may be, sufficient to repay the Debt in full (the "Transaction"), (b) obtain an order from the State Court approving such Transaction and (c) close such Transaction.
- 5. **Forbearances by the Lender**. Subject to the Receiver's and the Borrower Parties' compliance with the terms and conditions of this Agreement, the Lender agrees with the Receiver and the Borrower Parties as follows:
 - 5.1 During the Forbearance Period, the Lender shall forbear from taking any action to consummate the exercise any remedies available to the Lender (each, an "Enforcement Action") based on the Existing Defaults. As used herein, the term "Forbearance Period" means the period commencing on the Effective Date and expiring on the earlier of (i) August 30, 2019 (the "Forbearance Outside Date") or (ii) the occurrence of any Forbearance Termination Event (hereinafter defined). Upon expiration or earlier termination of the Forbearance Period, the Lender shall have no further obligation to forbear from taking any Enforcement Action to collect the entire unpaid balance of the Debt and any unpaid interest, default interest, Deferred Default Interest, fees, charges, advances and expenses owing under the Loan Documents accruing from and after the

original date of the Existing Defaults or to otherwise pursue its rights and remedies under the Loan Documents. For the avoidance of doubt and without limitation, an Enforcement Action shall include a foreclosure sale.

- 5.2 The foregoing forbearances by the Lender shall not (i) apply to any other default by the Borrower Parties of any of their respective obligations under the Loan Documents other than the Existing Defaults, or (ii) prohibit the Lender from taking any necessary or appropriate actions, as determined by the Lender in its sole and absolute discretion, to preserve its rights or maintain its ability to exercise any available remedies in connection with the Existing Defaults under the Loan Documents, in respect of the Enforcement Action and/or under applicable law, including, without limitation, filing motions, pleadings or other documents to maintain the pending status of the Enforcement Action.
- 6. **Forbearance Termination Events**. The occurrence of any of the following events shall constitute a "**Forbearance Termination Event**" hereunder:
 - 6.1 A breach or default by the Receiver or the Borrower Parties under any provision of this Agreement that is not cured within the applicable grace or cure period therefor, if any, including without limitation, the agreements and acknowledgements set forth in Sections 2,3, 4, 7, 8 and 9 of this Agreement;
 - 6.2 Any of the Borrower Parties becomes the subject of a Bankruptcy Action (as defined below) other than the Receivership Action; and
 - 6.3 Any of the Receiver or the Borrower Parties breach or default under any term or condition set forth in the Loan Documents (other than the express Existing Defaults for which this forbearance agreement relates).
 - 6.4 The Funding Conditions, defined below, have not been fulfilled by January 15, 2019.

For purposes of this Agreement, the term "Bankruptcy Action" shall mean with respect to any Person (as hereinafter defined): (i) the commencement of any case, proceeding or other action on behalf of a Person under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization or relief of debtors; (ii) the institution of proceedings to have a Person adjudicated as bankrupt or insolvent; (iii) consenting to the institution of bankruptcy or insolvency proceedings against a Person; (iv) the filing of a petition or consent to a petition seeking reorganization, arrangement, adjustment, winding-up, dissolution, composition, liquidation or other relief on behalf of a Person of its debts under any federal or state law relating to bankruptcy or reorganization; (v) the seeking of or consenting to the appointment of a receiver, liquidator, assignee, trustee, sequestrator, custodian or similar official for a Person or a substantial portion of its properties; or (vi) the making of any assignment for the benefit of a Person's creditors; or (vii) admitting such Person's inability to pay its debts generally as they become due. The term "Person" shall mean any individual, corporation, partnership, joint venture, limited liability company, estate, trust, unincorporated association, any Federal, state, county or municipal

government or any bureau, department or agency thereof and any fiduciary acting in such capacity on behalf of any of the foregoing.

- Ongoing Property Obligations. From and after the date of this Agreement, the Receiver or the Borrower Parties, as applicable, shall promptly and diligently operate the Property, maintain all insurance coverages required under the Loan Documents, and pay, or shall cause to be paid, the ad valorem property taxes due in respect of its Real Property for the 2018 calendar year and subsequent calendar years as and when due and shall promptly furnish the Lender with evidence of such payments, and shall otherwise comply with all of the terms and conditions of the Loan Documents. In order to facilitate payment of such operating expenses, insurance premiums and/or ad valorem property taxes for the Property, upon request from Receiver, together with evidence satisfactory to Lender of the applicable invoices to be paid, Lender shall agree to release such required funds to Receiver to the extent available from rents or other income received by Lender from tenants at the Property.
- 8. Assurance of Future Non-Impairment and Protections in the Event of Any Future Bankruptcy Action. The Receiver and Borrower Parties hereby further acknowledges, stipulates and agrees that in the event of any future Bankruptcy Action:
 - 8.1.1 The Lender is under no obligation to consent to the use of cash collateral or to provide any additional credit support to the Borrower Parties or the Property, including with respect to advances for Work. Furthermore, the Lender shall be entitled to relief from the automatic stay of Section 362 of the Bankruptcy Code, which will not be opposed by the Receiver or Borrower Parties, and shall be entitled to exercise all of its available rights and remedies under the Loan Documents, including, without limitation, foreclosing on the Property; and
 - 8.1.2 The Lender has no obligation to, and does not intend to agree to, accept any subsequent restructuring proposal or make any subsequent loans or other financial accommodations to any of the Borrower Parties. Each of the Borrower Parties acknowledges and agrees that the Lender's present objectives and goals may include, without limitation, insistence upon the full, timely and strict compliance with all terms and conditions of this Agreement and other Loan Documents, and a refusal to consider or accept any subsequent proposals for restructuring or further modifications of this Agreement or any of the other Loan Documents.

9. Additional Agreements.

9.1 Neither Receiver nor Borrower Parties shall contest any claim or assertion by the Lender that (a) the Loan Documents are enforceable, (b) the Loan is binding on the Borrower Parties and the Receiver, (c) valuable consideration has been received by the Borrower Parties and the Receiver for the Loan and the matters contemplated by the Loan Documents or (d) the Lender has enforceable, valid, first priority security interests, liens or mortgages against the Property.

- 9.2 Neither Receiver nor Borrower Parties shall, under any circumstances, resist, hinder or delay the Lender's enforcement of any rights and remedies the Lender may have under this Agreement and/or the other Loan Documents, including, without limitation, seeking in any state or federal court or any foreign tribunal an injunction or order that may stay or limit the Lender's enforcement of such rights and remedies.
- 9.3 Upon the Forbearance Outside Date, or early occurrence of a Forbearance Termination Event, the Lender, in consideration of its forbearance hereunder, shall be entitled to immediate relief from any stay or injunction under the Appointment Order, including Paragraph 26 of the Appointment Order, any other orders entered in connection with the Receivership Action or applicable law without the need for further order of the State Court and shall be entitled to immediately enforce any and all rights or remedies under the Loan Documents or applicable law without the need for further order of the State Court. Neither Receiver nor Borrower Parties shall contest any such automatic relief from any such stays or injunctions, neither Receiver nor Borrower Parties shall contest the Lender's exercise of such rights or remedies under the Loan Documents or applicable law, and neither Receiver nor Borrower Parties shall contest the extent, validity or priority of the Lender's security interests, liens or mortgages against the Property.
- 10. **Changes in Writing**. Neither this Agreement nor any of the provisions of this Agreement can be changed, waived, discharged, or terminated, except by an instrument in writing and signed by the parties.
- Notices. All notices and other communications required or permitted to be given hereunder shall be in writing and shall be hand-delivered or mailed by certified or registered mail, postage prepaid, to the addresses set forth below. Any party may notify the other parties of a change of address by written notice thereof given in conformity with the provisions of this Section 19, at least ten (10) days prior to the effective date of such change.
